

Olympics - opportunity or obstacle?

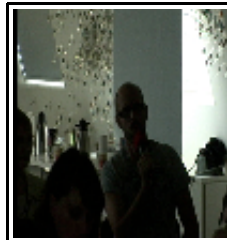

How to find the right studio? Check out [www.nfasp.org](http://www.nfasp.org)

Money!

What is the right kind of arts practice to generate income from?

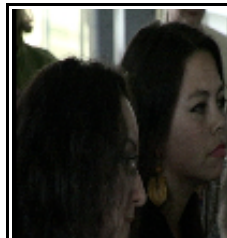

Crowd Funding: We Did This [wefund.com](http://wefund.com)

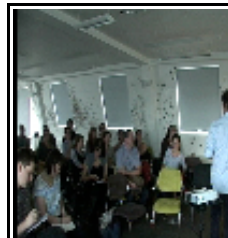

Making art and making money - mutually exclusive?

Artquest: Money Talks Debate - sign up!

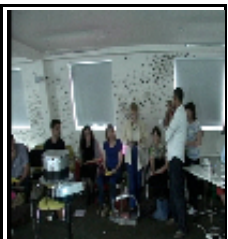

Space after graduating

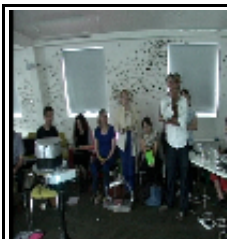

The Air Council

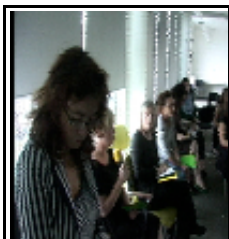

Making Your Way in Art

Have definite goals that you want to achieve

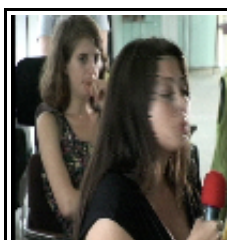

Include business skills on art degrees

Make money from arts related activities such as education workshops

Space - is it restrictive?

Self organised networks - set up a crit group

Don't underestimate your own networks

The next smallest step

Exploit all free resources on the internet to find business skills - Artquest, Business Link	Talk to other people about available space	Talk to the person next to you - don't leave straight away	To have a business plan - be willing to volunteer - get free training	Have a business plan and volunteer - free training

What to do this week

Collaborate - double your contacts	Find out who owns that empty space near you	Speed Network on Wednesday!	Come to the Core Gallery - talk about effective Blogging, social networks, be part of a critical platform etc. - on Thursday!	Update your website Email all your contacts and suggest the services you can provide	Set a clear goal for the next month
